

TOMORROW

AURA - Lennie Andrews

		<u>d-moll (4/4)</u>
F.(Förspel : Synthesizer med "trioler")....(2 x 6/8 = 1 4/4-takt)....	d ,F (055 b/m) C ,a
1.	I´m so sorry, so sorry . . . About the time to come And the day after tomorrow, tomorrow ... And what is left behind From me to you, From My Generation We were the Children of the World Have you ever heard, this song before This little poor excuse, ´cause . . .	d ,F ,C a d ,F ,C a d ,F ,C a d ,F ,C a
R.	Too many people With too many knick-knacks Too much of everything Not able to handle and care for this Earth	Bb ,d Bb ,F Bb ,F G ,Asus,A
2.	Where are the tigers in India (They´ve ended up on china porcelain to compensate man´s fertility) Where are the polar bears, without any Ice bergs (Have they already melted away...?) Water is rising, Where are the Islands (Suppose to be here on the map, somewhere in the middle of this Ocean...) Where are the Rain Forest in Brazil (Is it all burned down and cut up to pieces so the farmers can make another burger for me & you)	d ,F C a d ,F C ,a d ,F C a d ,F C ,a d ,F ,C ,a
R.	Too many people With too many knick-knacks Too much of everything Not able to handle and care for this Earth	Bb ,d Bb ,F Bb ,F G ,Asus-A
R.	Too many people With too many questions Without any answers About the problems we stand before on this Earth	Bb ,d Bb ,F Bb ,F G ,Asus,A
S.(Solo + vers-tema + Refräng 2 igen +)....	d ,F ,C ,a ...
R.	Too many people . . .	Bb ,d . . .
R.	Too much pollution Makes a strange and scary evolution In wrong direction We still wandering on this planet we call Earth	Bb ,d Bb ,F Bb ,F G ,Asus,A
3.	I´m so sorry . . . (etc.)	d ,F ,C ,a ...
